Meeting the Needs of Our Transgender Youth

Register Now for Lessons from the Field!

Join us for *Lessons from the Field: Meeting the Needs of Our Transgender Youth*, featuring CYFC's resident visiting scholar, Jenifer McGuire, Ph.D.

This year Children, Youth & Family Consortium is hosting regional events for parents, educators, and professionals who work with families and youth beginning in January 2017. Topics covered include:

- Challenges that face rural and urban transgender youth and families.
- Definitions and vocabulary about transgender youth, including how terms show up in everyday interactions.
- Standards of practice for professionals who work with transgender youth.
- The stages of development for transgender youth, as well as how the medical system and mental health community care for them.
- How communities can support families and families can support their transgender youth.
- Nutrition and body image for transitioning youth.
- Mental health as a public health issue.
